

Credit Application

Installation/On-Site Purchase

Bank	ACH Account Number xxxxxxxxxx::yyyyyyyyyyy

Credit Card	Credit Card #	CVV2#	AMX#
	Expiration Date	Debit Card	Credit Card

Charge Amount	
Term Payment	

A 3% processing fee will be added to the charge amount.

I _____, hereby request that the above amount be charged to my open account. I agree to pay the above amount based upon the term described above. For Net due accounts I understand that I will be invoiced based upon the agreed terms. If I fail to pay the invoice before the next term period I hereby authorize CPE Labs to either charge my credit card above for the agreed term amount plus a 3% processing fee per processed charge or withdraw said funds from my checking account. If funds are not available for either credit card or bank ACH draft then I agree that interest will be charged per the agreed to terms of any Service Contract or 1 1/2% per month for an annual rate of 18%. My purchases are conducted as “credit not present transactions”, via telephone, website, facsimile and/or via internet email. My authorization is given as though the physical credit card and valid identification were presented in person.

If the term expires without full payment of the amount above I hereby acknowledge and affirm that CPE Labs has a right to reposes all capital goods and hardware that were installed or purchased.

This authority will remain in effect until the amount above has been paid in full.

A 3% processing fee will be added to the charge amount for credit card processing.

I _____, hereby request that an open charge account be created. All new accounts are secured with a valid credit/debit card. I agree to pay all charged amounts based upon the term that the purchase was made under. For Net due accounts I understand that I will be invoiced based upon the agreed terms. If I fail to pay the invoice before the next term period I hereby authorize CPE Labs to either charge my credit card above for the agreed term amount plus a 3% processing fee per processed charge or withdraw said funds from my checking account. If funds are not available for either credit card or bank ACH draft then I agree that interest will be charged per the agreed to terms of any Service Contract or 1 1/2% per month for an annual rate of 18%. My purchases are conducted as “credit not present transactions”, via telephone, website, facsimile and/or via internet email. My authorization is given as though the physical credit card and valid identification were presented in person.

If the term expires without full payment of the amount above I hereby acknowledge and affirm that CPE Labs has a right to reposes all capital goods and hardware that were installed or purchased.

This authority will remain in effect until the Open Credit account is closed.
